

Business Accounting

Diploma

Program Objective

The objective of this program is to provide the student with the opportunity to acquire knowledge of business concepts, as well as gain the necessary computerized accounting and office skills. This program provides graduates with the necessary skills to maintain complete sets of books, keep records of accounts, verify the procedures used for recording financial transactions, and provide personal bookkeeping services.

Program Notes

Tuition fees include student manuals and all other course material. Financial assistance may be available for those who qualify.

Graduation requirements:

Students must achieve a 75% average to obtain a diploma.

Method of Delivery

Integrated Learning™ System training facilitated by Academy of Learning College facilitators.

Career Opportunities

Careers in business accounting are continuously in high demand. Excellent opportunities exist for skilled persons in a variety of accounting related positions, including the role of accounting bookkeeper, across the public and private sectors.
